This checklist must be used separately for each child attending school from your household.

- 1. Does your child have a temperature of 100 degrees or more today?
- 2. Does your child have a sore throat?
- 3. Does your child have a cough, congestion, or runny nose?
- 4. Does your child have a loss of smell or taste?

- 6. Does your child have close contact with a positive COVID case?
