Kicks 4 Kids 5k HELP US GET A TRACK

Imagine the fun of seeing your teacher in an inflatable costume as they either waddle through the 1-mile fun run or sprint the 5K! All you need to do is have everyone in your teacher's homeroom contribute \$25 for the entry fee or donate that amount, and your teacher will have to participate. Mr. Hudson and Mr. McCullah will do it if the school raises \$10,000.

HELP US GET A TRACK

Beginning April 14th, we will hold daily 5K practice after school. (Meet in front of the middle school) Participants must have a ride ready for pick-up at 4:15 PM, wear suitable running attire and shoes, and remain close to a teacher throughout the session. This activity is free and intended for enjoyment; however, any disciplinary issues will not be tolerated, and a first violation will result in removal from practice. Participation is limited to students in grades 5-12. Practices will be a mix of walking and jogging!
